

# Communication and Advocacy

The Butte County SELPA will host a panel for all interested parents and guardians to receive information about the rights of students with disabilities and their parents, effective communication with the school and district, and tips and strategies in advocating for students with special needs. Please bring questions and expect to leave with resources.

**THURSDAY, MARCH 25TH  
5:30-7:00 P.M.**

**Where: Zoom link will be provided at registration.**
