GENERAL INFORMATION

Welcome

Dear Students/Parents/Guardians:

Welcome to the 2022-2023 school year! All of us - your teachers, administrative staff, and support staff - are eager for a wonderful new year and new start!

The purpose of this handbook is to acquaint you with the policies, regulations, and procedures of our BASES Learning Center program. This is a document that you can refer to throughout the school year. Please read it carefully and keep it on hand.

Together we can make this a great school year full of opportunities for our students to reach their full potentials. We look forward to working with you to support your student in their learning goals.

If you have any questions regarding the information in this handbook, please feel free to give the school a call.

We look forward to a wonderful school year with you and your student!

Sincerely,

Melanie Quave Principal

The BASES team consistently practices the core values of compassion, acceptance, dependability, creativity, and learning.

Program Overview

BASES Learning Center (which stands for "Butte Area Social Emotional Solutions") is a program for students with social and emotional challenges that provides intensive academic, psychological, and behavioral support to increase academic and personal success.

The BASES team consistently practices the core values of compassion, acceptance, dependability, creativity, and learning.

General Information

BASES Learning Center opened in the 2019-2020 school year to support students with social-emotional issues or learning challenges at their school of residence rather than at a centralized program through Butte County Office of Education (BCOE) or at a non-public school (NPS) or residential facility. The program is considered to be a more restrictive environment than either the district special day class or the centralized program special day class option.

The program offers high-quality instruction in standards-based curriculum and individualized programs and services specific to student needs. Some of the benefits include: smaller class sizes, psychological support services, a structured, leveled program based in best practices for behavior, individualized academic supports, and frequent parent communication.

Additionally, the facility at the former Eastside Elementary School campus in Oroville City Elementary School District is ideally located for student activities in the local area, including but not limited to: community-based instruction; recreational and leisure activities; arts and music instruction; community service projects; and transportation / mobility instruction.

Psychological Support

BASES Learning Center utilizes the resources of the larger Butte County area community to make it possible for students to stay close to their home school district while receiving an appropriate level of intensive counseling services based on their individual challenges. We collaborate with school psychologists from districts within the county and provide mental health clinician support for the full school day. We also collaborate with outside counseling agencies through behavioral health and drug rehabilitation professionals if needed, to provide a high level of psychological support to each student at BASES. Because social-emotional issues are often linked to family relationships, BASES involves parents in the therapeutic process, sharing in the responsibility for student progress toward learning and social goals alike.

Intake Process

- 1. District staff may also refer appropriate students to BASES through consultation with the BASES administrator and after completing the BASES Referral Form (located in the SEIS Document Library).
- 2. Parents may request an IEP to discuss a change of placement at any time.
- 3. Records are thoroughly reviewed and appropriate staff are then interviewed regarding recent student concerns and the likelihood of success at BASES.
- 4. Placements are again reviewed after the first 30 days of placement and an IEP is typically held to make any necessary changes to the IEP.

School Address

2775 Yard Street
Oroville, CA 95965

School Telephone

(530) 532-5844

Dates to Remember

Contact the school office for more information regarding dates to remember.

School Calendar

BASES Learning Center serves all the districts in Butte County. The BASES calendar is independent of other districts. All IEP supports for incoming students align with the BASES school calendar. The BASES calendar is published and disseminated in May for the following school year. After BCOE Board and SELPA Governing Board approval our calendar is sent to all current parents and is published on the SELPA website at www.buttecountyselpa.org.

See Appendix.

Daily Schedule

Arrival/Departure of Students at BASES:

Regular School Days	8:00 a.m. - 2:30 p.m.
Wednesday Early Out Days	8:00 a.m. - 1:15 p.m.
Minimum Days	8:00 a.m. - 12:15 p.m.
BASES Office Hours	7:45 a.m. - 4:00 p.m.

Staff Directory

Melanie Quave, Principal	532-5844
Vickie Harrison, Admin. Assistant	532-5844 x1400
Jeff Lester, Clinician	532-5844 x1424

Enrollment and Disenrollment

Once a student is referred and accepted in to the BASES Learning Center program a complete enrollment packet must be on file in order to attend BASES. For returning students, enrollment must be completed via the Aeries Parent Portal or written hard copy prior to the first day of the school year. New students must complete a hard copy enrollment packet to be submitted and reviewed prior to the student's start date.

Handbook Accessibility (print and web)

Parents may request a hard copy of this Handbook at the BASES Office or it may be accessed on the SELPA website at www.buttecountyselpa.org.

BEHAVIOR

School Rules, Discipline and Student Conduct

BASES Learning Center is a relationship-based program for students who have typically previously experienced numerous negative conduct and discipline feedback. We use Baseball as an analogy for life in the sense that when you “strike out”, you get another “At Bat” the next inning. Our school rules are stated below and tied in to our reinforcement system through our “At Bats” Rubric. Consequences a student receives when not meeting school expectations are naturally built into the rubric and reinforcement system.

BASES Learning Center At Bat Stats Rubric

Breached (#)	Strike (1)	Foul ball (2)	Hit (3)	Homerun (4)
B Cause physical harm Brandish a weapon Use or share drugs or alcohol	- Attempted or threatened to cause physical harm to oneself or another person. - Directed hate speech, slurs, bullying, or lewd language at another person. - Brought a weapon or controlled substance to campus or made a weapon while on campus.	- Continued to put one's body on another's after being personally redirected to keep body to oneself. - Continued to use general profanity or vulgar language after being personally redirected not to. - When asked, honestly disclosed and turned in a brought/given weapon or controlled substance .	- Kept body to oneself when personally redirected once. - Used school appropriate language when personally redirected once. - Without being asked, turned in an inadvertently brought weapon or controlled substance .	- Kept body to oneself the entire inning. - Used school appropriate language the entire inning. - Provided appropriate responses to others by using polite verbal communication and reciprocal body language throughout the entire inning.
A Damage to property which creates a safety concern	- Continued to use any property (including items brought from home) outside of its intended purpose causing a disruption to learning. - Caused damage to or stole property which was not one's own, and did not return it after being personally redirected to do so.	- Continued to use any property outside of its intended purpose after being told not to. - Stole property which was not one's own and returned it when told to. - Brought personal materials or items on campus without permission; did not turn in to staff.	- Used all property for its intended purpose after being personally redirected once. - Independently asked before using property which is not one's own but did not return it after use. - Brought personal materials or items on campus without permission; turned them into staff.	- Used all property for its intended purpose the entire inning, and cleaned up after use. - Independently asked before using property which is not one's own and returned it after use. - Brought personal materials or items on campus with permission.
S So noisy or unsafe it led staff to direct other students to relocate	- Was personally redirected to participate appropriately more than two times. - Continued to remain out of seat (or designated space) after being redirected to return to the designated space.	- Was personally redirected to participate appropriately two times. - Was outside of one's seat (or designated space), then (after being personally redirected once), returned to the designated space within 1 minute.	- Appropriately participated after being personally redirected once. - " Opted out " at one's desk (or designated space) for any amount of time.	- Appropriately participated ; did not " opt out " at all. - After asking for help, continued to appropriately participate while waiting for assistance. - Stayed in designated space for the entire inning.
E Off campus 2 blocks or further	- Went off campus without permission and did not return within the same inning. - Took one or multiple breaks (outside of the expected zone) for more than half of the inning. - Did not return to the expected zone when redirected to do so.	- Went off campus without permission, but returned within the same inning. - Took one or multiple breaks (outside of the expected zone) for 6-22 minutes. - Returned to the expected zone when redirected to do so once.	- Stayed on campus , but verbally indicated a plan to go off campus to staff or other students. - Appropriately requested and took one break (outside of the expected zone) for less than 5 minutes and returned to the expected zone independently.	- Stayed on campus and was in the expected zone (did not take any breaks) the entire inning. - Engaged in behaviors as outlined in the PBIS Matrix for the expected zone . - Went to and stayed in individualized services for the entire scheduled time.

Student Expectations

All Students Are Expected To:

- 1) Be respectful of myself and others – practice body safety.
- 2) Respect all property.
- 3) Stay on task and follow directions.
- 4) Stay in the expected area as directed by the staff.

Suspension

While our main objective is to keep students in school, suspension is sometimes considered for especially severe behavioral issues. When a student is exhibiting behavior that is unsafe for them or others, or when their behavior significantly disrupts the learning of other students, suspension may be considered. If a student continues endangering the safety of others and/or engaging in an act such as property damage that is considered a crime then law enforcement may be called and a student may incur further consequences.

Suspensions are a legitimate outcome when any student has:

- Possessed, sold or otherwise furnished any firearm, knife, explosive, or any other dangerous object
- Unlawfully possessed, used, sold or otherwise furnished, or been under the influence of any controlled substance, alcoholic beverage, or intoxicant of any kind

- Significantly disrupted the learning of other students
- Caused, attempted to cause, or threatened to cause physical injury to another person
- Committed an obscene act or engaged in habitual profanity or vulgarity
- Caused or attempted to cause damage to school property or stolen or attempted to steal school or private property

Upon return to school following a suspension, a conference shall be held with the student and/or parent to determine possible supports to prevent the behavior which caused the suspension in the future.

Dress and Grooming

The BASES program does not allow clothing, haircuts, jewelry, etc. that:

- Threatens the health or safety of others
- Prohibits full participation in the educational program
- Distracts and keeps students from learning
- May indicate gang membership or association
- Advocates alcohol, illegal drug use or paraphernalia associated with illegal drugs
- Encourages prejudice against others on the grounds of national origin, ancestry, race, color, religion, gender, sexual orientation, age or disability
- Leads to disciplinary problems at school or at school-related activities
- Is, in general, deemed inappropriate or distracting to the learning environment

Care of School Materials and Repayment

Students are expected to be respectful of school property.

Misuse of Materials and Technology

All students and parents must agree to the *BCOE Acceptable Use Policy* which specifies proper and appropriate use of school technology, including computers, tablets, and other electronics. Students who violate the *BCOE Acceptable Use Policy* are subject to discipline.

Student Cell Phones and Personal Items

THE POLICY:

In order to provide a safe and consistent learning environment, BASES Learning Center does not allow any personal items including backpacks, cell phones, tablets or personal computers on campus. If a student brings an item on campus they will be provided the opportunity to turn the item in to be stored in a locked cabinet in the office. The personal item will be returned when the student is boarding transportation.

THE WHY:

We at BASES work constantly to ensure that all our students feel safe and are provided a consistent environment in which to flourish socially-emotionally and academically. California Ed Code section 48901.7 assists schools in creating this safe and consistent environment as it provides schools the ability to create a policy limiting or prohibiting the use of technology while on a school campus. It is important to note that this Ed Code also quotes multiple research studies across the world that clearly show unrestricted use of smartphones and technology devices in school settings lead to lower academic achievement and an increase in anxiety, depression and suicidal tendencies.

THE CONSEQUENCES:

If a student brings a personal item to school and refuses to turn it in, their At-Bat Stats scores will be affected in the area of A - appropriate use of all property and S - staying on task. In addition, if the student continues

to use their personal item in a manner that causes a learning disruption the parent will be called to pick that item up. If this happens three times in a month a parent conference will be called to discuss ways the team can support the student in their social-emotional and academic growth.

Please note that currently on our campus any student can access a phone to call home at any time. We have phones located at either end of the campus specifically for this purpose.

The school is not responsible for lost or stolen student personal property including any technology items.

Sexual Harassment

Sexual harassment is illegal and will not be tolerated. BASES Learning Center prohibits sexual harassment as well as harassment based on race, religion, color, national origin, physical or mental disability, marital status, age, sex, sexual orientation, medical conditions or any other basis. Any form of harassment is considered a major offense and subject to discipline.

Suspension

While our main objective is to keep students in school, suspension is sometimes considered for especially severe behavioral issues. When a student is exhibiting behavior that is unsafe for them or others, or when their behavior significantly disrupts the learning of other students, suspension may be considered.

Suspensions are a legitimate outcome when any student has:

- Possessed, sold or otherwise furnished any firearm, knife, explosive, or any other dangerous object
- Unlawfully possessed, used, sold or otherwise furnished, or been under the influence of any controlled substance, alcoholic beverage, or intoxicant of any kind
- Significantly disrupted the learning of other students
- Caused, attempted to cause, or threatened to cause physical injury to another person
- Committed an obscene act or engaged in habitual profanity or vulgarity
- Caused or attempted to cause damage to school property or stolen or attempted to steal school property
- Caused or attempted to cause damage to private property or stolen or attempted to steal private property

Upon return to school following a suspension, a conference shall be held with the student and/or parent to determine possible supports to prevent the behavior which caused the suspension in the future.

ACADEMICS

Academic Policies

Teachers design instruction based upon the California State Standards and student IEP goals. Additionally, students are supported in their educational goals, whether that be a diploma or a certificate of completion.

Academic Integrity

Students at BASES Learning Center are expected to demonstrate honesty and abide by the highest levels of academic integrity. Students who cheat or exhibit other forms of dishonesty will have their parents notified. An IEP meeting will be scheduled for students who repeatedly engage in these behaviors to discuss behavioral and other supports that may be necessary.

Core and Elective Courses

BASES classrooms provide instruction in all core content areas as well as in areas indicated on student IEPs. Instruction in our classrooms aligns with the general education of school site classrooms to the greatest extent possible.

Instruction

The instructional model of BASES Learning Center, "Home of the Bulldogs," is based on the knowledge that some students are not readily able to manage the social, emotional, and academic challenges of the comprehensive public school campus without appropriate supports and services. BASES meets general education standards for all students, and offers the courses necessary for secondary students to fulfill graduation requirements for a high school diploma or certificate of completion. Here is a representative list of subjects and example lessons:

- Academic Skills
- Social Skills (e.g. Nurtured Heart Approach)
- Mindfulness Curriculum
- College/Career Readiness Skills
- Writing Development
- Motivational Group Counseling (WhyTry Curriculum)
- Credit Recovery
- Professional Level System (LifeSpace Crisis Intervention)
- Individualized Support Class, as needed

An important component of each student's success is the extent to which he or she is able to integrate successfully into a comprehensive school environment over time. Access to typical peers is essential to success in the real world and the world of work. The BASES team builds social skills and relationships so this reintegration is possible.

Graduation Requirements

Graduation requirements are determined by the school of primary enrollment and the student's district of residence.

State and Local Assessments

The California Assessment of Student Performance and Progress (CAASPP) is the state academic testing program. CAASPP is a system intended to provide information that can be used to monitor student progress on an annual basis. CAASPP assessments include computer adaptive tests in English-Language Arts (ELA) and mathematics for students in grades 3-8 and 11 as well as a Science test for students in grades 5, 8, and high school. The alternate assessment, called the California Alternate Assessment (CAA) is administered to students with significant cognitive impairments when indicated in the student's IEP.

The English Language Proficiency Assessments for California (ELPAC) is the required state test for English Language Proficiency (ELP) that must be given to students whose primary language is a language other than English.

The Physical Fitness Test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity. Students in grades five, seven, and nine take the fitness test. The test has six parts that show a level of fitness that offer a degree of defense against diseases that come from inactivity.

In addition to State Assessments, local assessments are used to monitor student progress and to adjust instruction. Special Education programs utilize i-Ready, Write Score, SANDI, or the local assessments used at our district sites.

Student IEPs indicate the appropriate assessments that students participate in each year and list the appropriate designated supports and accommodations to support the student during the assessment as agreed upon by the IEP team.

Grades and Repeating Classes

Student report cards and/or progress reports will be provided to parents following the report card schedule of the school site, located on the school calendar. A conference or IEP meeting may be scheduled at any time to discuss student progress.

STUDENT HEALTH AND SUPPORTS

Guidance and Counseling Programs

Educationally Related Mental Health Services (ERMHS), counseling, and other mental health supports are provided per each student's IEP.

Medical and Medication

Medication

- 1) Parents/Guardians must check with the nurse to arrange for the dispensing of prescription as well as over-the-counter medicine to students.
- 2) Parents must complete a Medical Authorization Form PRIOR to their student taking medicine at school.
- 3) Prescribed medication must be in the original bottle and have specific instructions for use from a licensed physician who has the responsibility for the medical management of the student.
- 4) All medications (including over-the-counter drugs like aspirin or Tylenol) must be managed through the nursing office.
- 5) Non-prescription drugs (e.g. aspirin) are not available at school.

Nursing

- 1) The BCOE nurse and/or 911 are called in emergency situations.

There are no facilities at school to serve sick or injured students for an extended time. Parents will be called immediately when students are too ill to remain in class.

Comprehensive Sexual Health & HIV/AIDS Instruction

Comprehensive Sexual Health & HIV/AIDS Instruction is offered in grades 7 and 9. Students who are mainstreamed in general education classes may participate in instruction through the school site as appropriate.

Married, Pregnant and Parenting Students

BASES Learning Center will provide access to a private, secure room in the Nurses Office/Restroom to express breast milk or breast-feed an infant child. Any student requiring this access will also be provided with a power source for any equipment necessary and the breast milk will be stored safely in a secured refrigerator in the administrator's office.

Any student requiring these accommodations will not incur any academic penalty and will be provided the opportunity to make up any missed work.

Suicide Prevention

BASES Special Education programs adhere to the BCOE Suicide Prevention Policy. All staff are provided with resources and training in Suicide Prevention.

Food Services

Students may participate in the School Lunch Program located in the cafeteria. All Students are eligible for free or reduced-price meals.

SAFETY

Data and Student Privacy

The Federal Children's Internet Protection Act (CIPA) and the Children's Online Privacy Protection Act (COPPA) require schools to take internet protection precautions that include blocking or filtering internet access to pictures that are obscene, pornographic, or otherwise harmful to minors. Moreover, a school's internet safety policies must include monitoring online activities and education of minors about appropriate online behavior, including interaction with others through use of social networking, emails, chatting, or other electronic communication, particularly relating to cyberbullying, harassment, threats, or other misuse of electronic communications. Additionally, BCOE takes seriously the importance of protecting student data. Multiple measures are put into place to protect the data of our students.

Emergency Procedures

BASES Special Education Department is prepared to effectively and efficiently respond to emergency situations that may impact students and staff. As required by state law, we practice monthly fire, earthquake, and/or lockdown drills. The Butte County Office of Education Comprehensive Safety Plan provides support and guidance in responding to emergency situations. This plan includes procedures for lockdowns, relocation of students and staff, and parent/student reunification.

We will be using our all-call messaging system to notify parents/guardians of any necessary information, such as lockdowns, school closures, and other emergency situations. It is extremely important that we have a current phone number and/or email, so you can be updated on these events.

Volunteers and Visitors

We value and enjoy having parents and community members visit our classrooms. All visitors must sign-in at the Main Office of the school site where our programs are located and follow the Visitor Policy of that site. At BASES, all visitors are required to sign in (date, time of visit and reason for visit) and sign out through the school secretary. Visitors must also wear an identification tag while on campus. Identification tags are provided when signing in.

Classrooms may only be visited with prior approval from the administration.

Field Trips and Transportation of Students

Field Trips

Field trips are recognized as an integral part of the instructional program. Students must have a permission slip on file in order to participate in any field trip. Adult participants must also complete a permission slip in order to participate in any field trip. No student will be excluded from a field trip due to an inability to pay any necessary fees.

Transportation

The District of Residence provides transportation for students who are eligible. Please contact your District Transportation Department when your student is going to be absent or with questions regarding transportation.

Procedures for Student Injury

In the case of injury or emergency, the school will call Emergency Medical Personnel. The school will attempt to notify parents whenever Emergency Personnel are called.

Annual School Climate Survey

BASES Special Education administers a School Climate Survey annually in order to assess and improve the climate of our programs.

ENGAGEMENT

Communication, Conferences and Staff Accessibility

Our students' learning time is of the utmost importance to us. Interruptions to the school day will be kept to a minimum. Teachers are available before and after school for conversations.

Parent-Community Engagement Opportunities

Parents are welcome and encouraged to participate in events at their student's school. Events such as Back to School Night, Open House and others are scheduled yearly at district school sites. Information about these events may be sent home from teachers or found on the school's Facebook page.

Parents who are interested in volunteering in their student's classroom must adhere to the volunteer procedures for BCOE schools and the school site where their student's classroom is located. Please see your student's teacher for specific guidance and opportunities.

SCHOOL SITE STAFF

Staff Professional Learning

Teachers and support staff regularly participate in Professional Learning to support their knowledge and expertise in providing high quality instruction to all students.

PBIS

Positive Behavior Interventions and Supports (PBIS) is an evidence-based approach to creating a learning environment where all students are successful and supported using schoolwide positive language and supports. Through the use of prompting, pre-corrections and positive acknowledgments, schoolwide expectations and behaviors are developed, encouraged and supported for overall student success. PBIS encourages a cohesive foundation for positive behavior expectations and outcomes in our school setting.

ATTENDANCE

Pupil Attendance and Absences

We believe that regular attendance plays a critical role in every student's education. We look forward to seeing your student every day. Verification of the reason for a student's absence should be provided in one of the following methods:

- 1) Written note from the parent/guardian, parent representative or student if 18 or older.
- 2) Conversation, in person, text or by telephone, between the verifying employee and the student's parent/guardian or parent representative.
- 3) Physician's verification
 - a. When excusing students for confidential medical services or verifying such appointments, school staff shall not ask the purpose of such appointments but may contact a medical office to confirm the time of the appointment.
 - b. When a student has had 6 absences in the school semester for illness verified by methods listed in #1-3 above, the principal may require that any further absences for illness must be verified by a physician.

Parents/guardians will be notified in a timely manner if their student is absent from school without permission.

Late Arrival and Early Departure Instructions

If a student arrives late to school, they should be signed in at the front office by their parent.

If a student needs to be picked up early from school, they must be signed out in the front office by a parent/guardian or an approved adult on the emergency contact list.

Truancy

A student with three (3) unexcused absences is considered truant. Parents will be notified by mail monthly when their student has accumulated three or more unexcused absences. Please remember that absences affect your student's progress on IEP goals. An IEP meeting will be called to discuss a student's progress when there are excessive absences for any reason.

APPENDIX: STATE AND FEDERAL REQUIREMENTS

AB2022 Mental Health Services

Mental Health Services Act

Pursuant to Education Code Section 49428 as amended by AB2022 in September 2018, schools are required to notify pupils and parents or guardians of pupils no less than twice during the school year on how to initiate access to available pupil mental health services on campus or in the community.

Any pupil and parent or guardian of a pupil may refer a student for mental health services by contacting the school administrative office. A school counselor and/or school psychologist can also provide information about other options to access mental health services within the community.

To access mental health services within the community, please contact the Butte County Department of Behavioral Health or other mental health agency. Please see the school's website and scroll to the bottom and click on AB2022.

BUTTE COUNTY DEPARTMENT OF BEHAVIORAL HEALTH: HERE TO SERVE YOU

Butte County Department of Behavioral Health remains committed to providing mental health, prevention and substance use disorder services during the Coronavirus crisis!

- ♦ We are accepting all new referrals for SUD and Mental Health Services for all beneficiaries with Butte County Medi-Cal
- ♦ Students may continue to be referred through DBHQM@buttecounty.net
- ♦ Each of our community partners have joined us in the commitment to continue to serve Butte County's beneficiaries during these unprecedented times
- ♦ Services are being provided by Video or Phone

Transition Services

Disability Benefits 101

Many people with disabilities fear that if they go to work, they'll lose needed health care and other disability benefits. DB101 helps people with disabilities and service providers understand the connections between work and benefits. DB101 will help you make informed choices and show you how you can make work part of your plan.

Acknowledgment of Receipt

Butte County Office of Education

2022-2023 Acknowledgment of Receipt and Review

Dear Parent/Guardian:

The Butte County Office of Education is required to annually notify parents and legal guardians of minor students, their rights and responsibilities in accordance with Education Code section 48980.

Should your child be enrolling in Butte County Schools for the first time, a copy of your child's school records will be requested from their former school. You have a right to receive a copy of the record and a right to challenge the content of the record. If you have any questions, or if you would like to review specific documents mentioned in the notice, please contact the school office.

Please complete the "Acknowledgment of Receipt and Review" form below and return it to your child's school.

ACKNOWLEDGMENT OF RECEIPT AND REVIEW

Pursuant to Education Code section 48982, the parent/guardian shall sign this notice and return it to the school. Signature on the notice is an acknowledgment by the parent or guardian that they have been informed of their rights and does not indicate that consent to participate in any particular program or activity has been given or withheld.

Student Name: _____

School: _____ Grade: _____

Parent/Guardian Name: _____

Address: _____

Home Telephone Number: _____

Signature of Parent/Guardian (if student is under 18)

Date: _____

Signature of Student (if student is 18 or older)

Date: _____
