2. Voting by the Governing Board

The Butte County SELPA Governing Board has enjoyed a long history of good faith cooperation. For this reason, one vote is allocated to each member LEA for most all SELPA Governing Board matters on which action must be taken. Each LEA listed above will receive one (1) vote, except in the following situations, when a weighted vote and higher threshold for passage of an item will apply, as further detailed below:

- a. When there is any proposed change in the overall SELPA Budget Allocation Plan model.
- b. When there are programmatic decisions that could result in changes in budget or appropriations exceeding \$100,000.
- c. When there is a vote to change the overall voting structure of the SELPA.
- d. If any of these situations applies, a weighted vote will be used, with each LEA still receiving its one vote, and one additional vote for every 1,000 students in total funded LCFF average daily attendance from the prior year (the greater of P2 ADA from prior year or two years prior). ADA numbers will be from P2 of the previous year Updates to the weighted vote allocation will be disseminated by July 1st of each year. The SELPA Director and Governing Board Chair shall work together to ensure that agenda items are clearly marked to indicate a weighted vote is needed.
